

Blue-Bot Quick Start Sheet

1. Sit on the floor around the mat (if you are using one).
2. Make sure you have a Blue-Bot and any materials you need.
3. Get instructions from the teacher so you know what to do.
4. Turn Blue-Bot on.
5. Take turns pressing the buttons to give commands to Blue-Bot.
6. Don't push Blue-Bot while it is moving.
7. Don't push Blue-Bot on the floor or mat when it is not moving.
8. To stop Blue-Bot when it is moving, press the **Go** button. 
9. Press the **X** to clear the commands at the start of your turn. 
10. When your group's time is up, carefully carry Blue-Bot to where the teacher tells you.
11. Turn off Blue-Bot to save its battery.
12. Carry the mat to where it belongs if no one else will be using it.
13. Put the cards you used back where they belong.
14. Go back to your regular seat.

We hope you had fun using Blue-Bot!
