

“Turtle Tuesday” Logo Challenges

This month you will be a **Pattern Detective!**

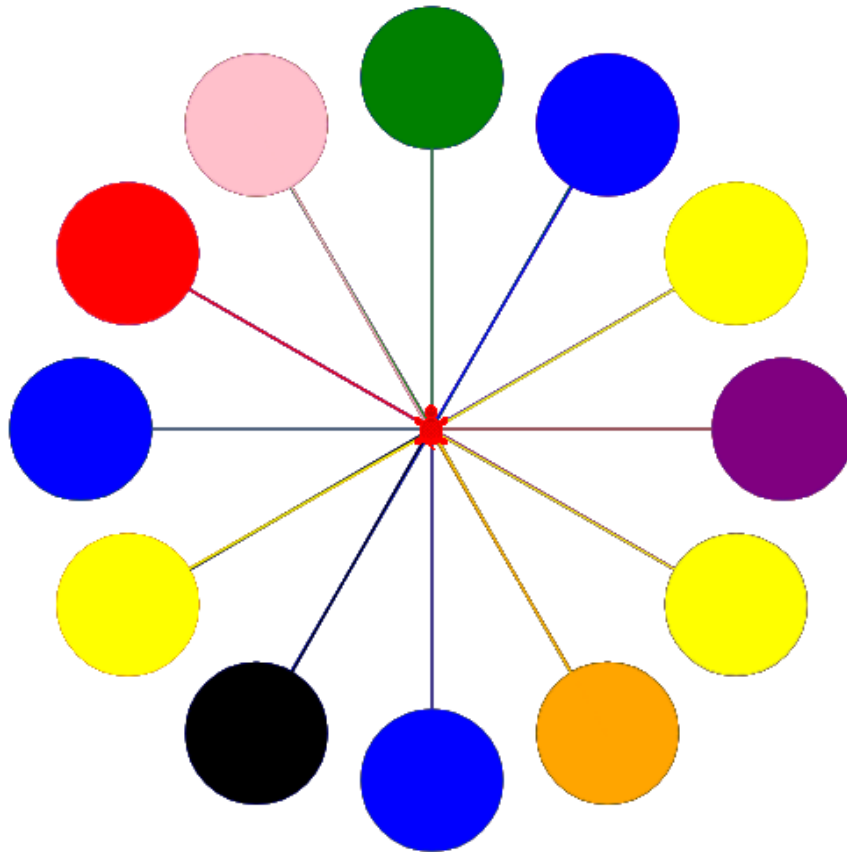

Figure out the building blocks you need to create using [Logo](#) or [Logo Blocks](#).
Then put them together to create the design. Feel free to the design in any way you want.

For more challenges, take our “**Learn to Code, Learn to Think**” email course. [Read more and sign up!](#)

Challenge No. 194

Can you create this colorful lollipop wheel?
When you are done, see how you can make it fancier.
Add more lollipops to each stick, make more lollipops, or whatever you want!

Our Solutions are on the next page.
